Session on

Breaking Barriers: Women Pioneering Change in STEM at Viksit Bharat

On December 25, 2023, the Viksit Bharat Abhiyan orchestrated an impactful online event led by Ms. Isha Malhotra titled "Breaking Barriers: Women Pioneering Change in STEM." This initiative served as a pivotal platform for delving into crucial themes surrounding gender diversity within the STEM sphere, aiming to catalyze change and promote inclusivity.

Conducted virtually, the event strategically spotlighted the achievements of notable women pioneers in India's STEM arena, shedding light on their remarkable contributions and accomplishments. Ms. Malhotra curated an engaging program that commenced with an insightful exploration of these trailblazing individuals, serving as a source of inspiration for participants. Through thought-provoking discussions and interactive sessions, attendees were encouraged to reflect on the prevailing gender disparities within STEM and strategize ways to foster increased female representation.

The event not only celebrated the achievements of women in STEM but also served as a catalyst for collective action towards breaking barriers and promoting gender equality within the field. Participants emerged empowered and inspired, equipped with the determination to drive meaningful change and pave the way for a more inclusive and diverse STEM landscape in Viksit Bharat@2047 and beyond.
