Acetech 2017 – Walk the talk with your Mentor

The Education Mentoring Program was designed to provide guidance, support, and mentorship to students at various educational levels. The program aimed to enhance students' learning experiences, personal growth, and academic success by connecting them with experienced mentors who could offer valuable insights, advice, and encouragement. The two day session was attended by a total of 76 students.

The Education Mentoring Program was a resounding success, creating a positive and enriching environment for students to receive guidance, support, and mentorship. The program contributed to the academic and personal growth of mentees and highlighted the significant role that mentorship plays in shaping students' educational journeys.

The mentorship program served as a testament to the power of collaboration and support in fostering a culture of continuous learning and development among students.
